This is traditional rose that was pressed straight from the vineyard to make a seductive rose wine. This was made from traditional rose grapes. We used the work Iberian as we used only Spanish grape varietals. (Grenach and Monastrell) This create in the old world style with a new world flare

Tasting Note

Refreshing citrus nose with hints of strawberry and orange. Medium body with melon, apricot and mild spices. Has lovely minerality to bright this dry rose. This wine love a nice brie on a hot summer day.
